In this Letter, there was an inadvertent typo in the fifth line of equation (2). On the right-hand side ' ${}^3\text{He } p$ ' should read ' ${}^4\text{He } p$ ' to give $D^3\text{He} \rightarrow {}^4\text{He } p$, $\Delta E = 18.35 \text{ MeV}$. This error has been corrected in the online versions of the paper.
